

## Empathy Map

|                      |                                 |
|----------------------|---------------------------------|
| <b>Date</b>          | 28 JUNE 2027                    |
| <b>Team ID</b>       | xxxxxx                          |
| <b>Project Name</b>  | Credit Card Approval Prediction |
| <b>Maximum Marks</b> | 4 Marks                         |

### Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                                 |
